

**FY 2011 - Explanation of Bid Results:**

Beginning in FY11 individual libraries participating in the MATERIALS cooperative have the freedom to choose the best value from the attached list of materials bidders. Libraries should consider the best value based on the discounts and processing costs. This is a one-time opportunity for the three year duration of this bid. The Office of the Inspector General has stated that each library spending more than \$5,000 in a fiscal year with one vendor should send a blanket purchase order to that vendor. If more than \$25,000 will be spent then a full contract would be required.

Please see the bid results for vendor discounts.
